RECHARGE YOUR GENEALOGY COMPUTER SKILLS

Bring a new historical document you obtained this summer to share with your genealogy buddies!!

Family History Camp-Puter, last chance for summer camp!

Abstract: Welcome back from summer to another dynamic year of genealogy education, fun and sharing at Indian River Genealogical Society. This month's program will feature our best resources...**YOU**, the members of IRGS. Many of us have truly been on summer vacation; however, thank goodness a few have been keeping up with the ever-changing scene online in genealogy. What is new at Ancestry.com? Familysearch.org? Footnote? NARA or LOC (National Archives and Library of Congress)? What have you discovered new in your state or country across the pond?

More about the September program:

Susan Rienzo has agreed to coordinate the information for this month. She would like to gather information in advance so that a handout will be ready for you at the meeting. Please send her a short e-mail with a website you have found genealogically useful, include the URL and a brief description on the highlights. As many as possible will be discussed at the meeting, so if you are willing to share, let her know. Contact Susan at srienzo@gmail.com

IRGS Business Meeting begins at 9:30 AM, followed by refreshments and genealogy/family history sharing before the featured presentation at 10:45 AM.

All general meetings are held in the first floor large meeting room at the [Indian River County Main Library](#), 1600 21st St., Vero Beach, FL 32960.
