**Tuesday, May 12, 2009**

## It's Game Time Again!

By popular request, our May program will be another program of **Genealogy Jeopardy** presented by Nancy and Tom Garvey. The audience will be divided into three teams vying for genealogy related prizes. The three captains are Marcia Eyberse, Maryellen McGarry and Tony Young. Marcia heads up **the Purple Team**; Maryellen **the Green Team** and Tony, in his favorite team color, will captain **the Orange Team**.

This time, the genealogy terms will be from many sources – legal, medical, wills and occupations among others. Four possible answers will be presented. While there is only one right answer, all four choices may look logical. These are all words used by our ancestors but seldom found in today's world. Many have a very whimsical sound. All are a source of pure fun. We may learn a little but mostly we'll just have good competitive enjoyment.

After each quiz, the three captains will tally the number of correct answers for their teams. Pete Kersey as The Master Scorekeeper will keep track of the correct totals. The highest cumulative score determines the winning team. Each member of the team with the highest number of winning answers will receive a prize with special genealogy or historical remembrances. Look at some of your old documents and even historical novels for clues! Come prepared to win and have fun!

The IRGS Business Meeting starts at 9:30 AM, then please join us for genealogy/family history sharing and refreshments before the featured presentation starting at approximately 10:45 AM.

All general meetings are held in the first floor large meeting room at the [Indian River County Main Library](#), 1600 21<sup>st</sup> St., Vero Beach, FL 32960.
